HEALTH OFFICER

November 18, 2009

The Wicomico County Health Department is currently providing weekly H1N1 community updates. Updates are posted on the health department website at www.wicomicohealth.org. We would like to provide H1N1 updates and other agency news releases that would be important to your patients directly to your office in a format that is convenient for you. Please take a moment to complete the response information below so that we will be able to get information to you in the most efficient way. If you have any questions, please contact Tammy Griffin, agency Public Information Officer at (410) 334-3480.

Sincerely,

Lori Brewster, M.S., APRN/BC, LCADC
