local initiatives as approved by AFSP. \$8,400 has been raised so far. Anyone can participate after signing a waiver. It is free to all and fundraising is not a requirement. The American Foundation for Suicide Prevention is the sponsor of the walk. Funding is held by them and not the health department. Taking submissions for a memorial wall. Will end with a candle memorial.

- Naloxone training for social experience- we have exceeded our performance measure for this goal. We have additional trainers that speak other languages in order to train individuals that speak Spanish, Haitian Creole and French.
- Mountain Manor in Baltimore is now open for inpatient care for 13-21 year old males. Hope to open to females in the near future. This is helping to fill a gap. Accepts Medicaid.
- Tri- County Lower Shore “Operation Greenlight” November 4-11 to light our homes and businesses green to show support for veterans. We also developed a Tri- County Resource Guide for Veterans. Hoping the county and city will do a Proclamation.

### ***HealthPort***

- Accepting Children and Adolescents. Implementing two (2) Evidence Based Practices for youth. One is PCIT (Parent Child Interaction Therapy) Targeting 5-10 year olds. Beginning to advertise with the school system.
- Same day appointments for youth and adult intakes and within 1 week for medication management
- Lots of availability in their crisis beds currently for short term mental health crisis.
- Mobile Treatment Team in Worcester County had a good ACT Fidelity Review.

### ***St. James AME Zion***

- Was a partner drop off location for the toiletry drive.
- Is a partner in the Lower Shore Veterans Support Workgroup. Promoting Operation Green Light November 4-1.1

## Overdose Prevention Team (OPT) Meeting Minutes

- Healthcare Navigator is George Wilson and he will start attending these meetings going forward.
- Difficult to locate housing and maintain housing for veterans due to the high housing costs especially when there are veterans with a substance abuse history.

### ***Affiliated Sante Group***

- no updates given

### ***Maryland's Office of Overdose Response \_NEED TO UPDATE***

- MDH is reviewing the ORF applications that were submitted. No updates.
- ORF advisory council met and working on recommendations on how to spend the state ORF discretionary funds.

### ***COVE Recovery***

- Continuing to offer family programs to connect family members. Trying to engage more people in family sessions.
- Held a Go-Purple Event for past and present clients and families. Nearly 100 attended. Very impactful event.

### ***Wicomico Health Dept-Case Management***

- The Harm Reduction Center now has safer smoking and safer snoring kits. Hoping to reach a new demographic. Seeing an increase in Fentanyl in Crack Cocaine. We have already given out a fair amount of supplies. Individuals seem very appreciative of this new resource. It is also starting new conversations and connections with individuals who are actively using and to help keep them safe.
- Have recently been testing drugs that only had heroin in them. Users prefer to use fentanyl and not plain heroin.
- Recently provided 17 Naloxone kits to one location within 2 days where crack/cocaine was being used.
- Received funding notification for SOR IV for the Safe Station program.

## Overdose Prevention Team (OPT) Meeting Minutes

### ***Hudson Behavioral Health***

- We are fairly full, but usually have inpatient beds available. Planning for 24 hour admissions is still in the works. Transportation is available. The 3.1 Residential Programs stay full with ongoing waitlists. Have started taking some after hour admissions.
- Overall very busy.

### ***Adult Drug Court***

- 4 Graduating from Drug Court tomorrow.
- They currently have 31 active participants in the program with 3 admission pending.
- Pending the mentor court application. Submitted application in March. Went through the first review process. We had a site visit on August 23rd. A determination will be made by November 15. They were very pleased with our court. Impressed with our law enforcement team involvement and our team as a whole and the services that are provided.
- Will be doing a presentation at the Statewide Drug Court Symposium. November 20-21. Focus will be on our partnership with law enforcement.

### ***Wor-Wic Community College***

- Interest in some opioid funding for Wor Wic. Want to continue partnerships.
- Mind, Body and Soul Health Fair on October 9. Naloxone training and recovery resources will be provided. Will also plan something similar for the spring.
- September was a busy month.
- Hosted the Shatter the Stigma Walk on 9/28/24. Approximately 150 attended, in addition to volunteers, guest speakers.
- Did Go-Purple Friday with great support from the campus and participants. Social media posts were very active. The school is a very active partner with Go-Purple.
