

FluMist Clinic Links

The Wicomico County Health Department will again be providing free FluMist to students in Wicomico County Schools. If you wish for your child to receive FluMist please find their school below and use the link to register. Once registered, be on the lookout for an email that will contain the consent form. The consent form must be filled out prior to the clinic date in order for your child to be vaccinated. Parents do not need to be present at the clinic.

Children should NOT receive FluMist if they have been diagnosed with asthma in the last 12 months or had a wheezing episode in the past 12 months. Children with significant health issues should also NOT receive FluMist.

Please call Wicomico County Health Department at 410-543-6943 if you have problems registering.

Monday, November 13 - Morning
