

Addendum to RFP # 0304-2024

The contract dates on RFP # 0304-2024 had a typographical error. The correct contract dates should be as follows:

- The Community First Choice Nurse contract will begin on July 1, 2024. The contract will be a five-year contract ending on June 30, 2029. The Wicomico, Worcester, and Somerset County Health Department may renew the contract for an additional three years (3) in one-year (1) increments through June 30, 2032. The renewals are at the sole discretion of the Wicomico, Worcester, and Somerset County Health Department.

Rates for The Community First Choice Nursing contract will be as follows:

- The selected provider will be billed for services at a rate of \$ 96.00 per hour in 15-minute increments. (\$ 24.00 per unit). The Wicomico, Worcester, and Somerset County Health Department will pay the contractor the negotiated rate only for the units approved by MDH (Maryland Department of Health) and reimbursed to the Wicomico, Worcester, and Somerset County Health Department by MDH. If an increase is implemented through MDH, the increase will be negotiated between the contractor and Wicomico, Worcester, and Somerset County Health Department. An addendum to the original contract will be signed by the Wicomico, Worcester, and Somerset Health Departments and the contractor.
- All funds for payment by the Wicomico, Worcester, and Somerset County Health Departments under RFP # 0304-2024 are subject to the availability and approval of an appropriation or granting agency. Future funding is therefore not guaranteed, and the Health Departments are not liable for any cost incurred by contractors or the awarded vendor.
